In an effort to provide increased police patrol presence and faster response times to the community, the Clinton Police Department has implemented guidelines for the public when filing a police report at the Clinton Police Department business office.

- In an emergency call 911
- To report a non-emergency incident, call the police department non-emergency telephone number at 243-1458
- Provide the dispatcher your name, address, telephone number, nature of your call and any other information requested by the dispatcher.
- An officer will be sent to your location to take a report according to the time of receipt and severity of the incident.
Non-emergency incidents may include theft, criminal mischief, simple assault, violation of a protective order, etc.
(When the offender is no longer present and no danger to you or others exists.)

● Police reports will be taken at the police department business office
Monday – Friday, 9:00 a.m. to 2:00 p.m.
ONLY

● Property and evidence will be released, by appointment only, on Tuesdays between 9:00-11:00 AM and Thursdays between 1:00-3:00 PM. All property and evidence release requests must be filled out and submitted to the front desk of the Clinton Police Department prior to scheduling the release of any items.
